Dear Kerry Moscogiuri

RE: Amnesty International Report: A Growing Threat – the Anti-Rights Movement in the UK

I write on behalf of the Women's Rights Network (WRN), a human rights organisation dedicated to the promotion and protection of the rights of women and girls in the UK and also in Europe, Canada, Australia and Afghanistan.

I was somewhat surprised to see Women's Rights Network in your report A Growing Threat – the Anti-Rights Movement in the UK, listed on page 20 in your 'Anti-rights organisations identified' table. I would appreciate you specifying what part of our work has led you to make this declaration about our organisation and your evidenced reason for including us on that list.

I look forward to hearing from you shortly.

Yours sincerely

Heather Binning
Executive Director
